

The Names Ali bin Abee Taalib (رضي الله عنه) and His Children Liked

The question is that why would Ali (رضي الله عنه) named his children as Abu Bakr, Umer, Uthman, and Aaisha besides the fact that the Raafida (Shee'a) claim that Ali hated the Sahabah and they even declare them kuffar (والعياذ بالله). A person only names his children as those whom he loves the most. May Allah humiliate those who hate the companions of Messenger صلى الله عليه وسلم ameem

Note: This family tree does not contain all of the names. A lot of the names of Ali (may Allah be please with him) and his children have been omitted due to the limited space on the page such as Faatimah, Ja'far, and Zainab.
